CASE NO. 8:13CR275

TENTATIVE FINDINGS

The Court has received the Revised Presentence Investigation Report and Addendum ("PSR"). The Defendant filed a Written Statement of Objections to Revised Presentence Report (Filing No. 133), objecting to paragraphs 20, 24, 25, 26, 27, 33, 36, 42 and 68. The government adopted the PSR (Filing No. 131). Both parties have indicated that they anticipate offering oral testimony on any unresolved objections. The Defendant has also filed a motion for a variance (Filing No. 132). See Order on Sentencing Schedule, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

Accordingly,

IT IS ORDERED:

1. The Defendant's Written Statement of Objections to Revised Presentence Report (Filing No. 133) will be heard at the sentencing hearing;
2. The Court intends to adopt the PSR in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion

challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these tentative findings are final;

5. The Defendant's Motion for Variance (Filing No. 132) will be heard at sentencing; and

6. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 17th day of March, 2015.

BY THE COURT:

s/Laurie Smith Camp
Chief United States District Judge
